Trail Riders of the Canadian Rockies

BULLETIN No. 46

Those who are planning to join the Trail Ride to Mount Assiniboine this Summer (July 30 - August 3) are reminded that they should make their reservations early, as we have to give our outfitting contractors advice as to the total number of party by July first, and late comers may be crowded out, as they were last year. The rate including bus fare between Banff and the commencement of the trail and site of the Pow-Wow will be \$45.00, and the outfitting and catering will, as last year, be in the hands of Claude Brewster and Ed. Ogan, the former agreeing to quote a special rate for the Kananaskis Dude Ranch in the case of Trail Riders who wish to harden up before the start for Mount Assiniboine. We have a limited number of sleeping bags for rent at \$5.00 each for the duration of the Trail Ride. A deposit of \$10.00 is required, of which \$5.00 will be refunded if the sleeping bag is returned in good condition. Blankets may be rented at \$1.00 a piece for the duration of the Trail Ride.

Reservations should be sent either to J. M. Gibbon, Room 324, Windsor Station, Montreal, or to L. S. Crosby, % Brewster Transport Company, Banff, Alberta, Canada.

Annual dues not yet paid for the year 1936 should be sent to J. M. Gibbon, Secretary-Treasurer, Room 324, Windsor Station, Montreal, Canada.

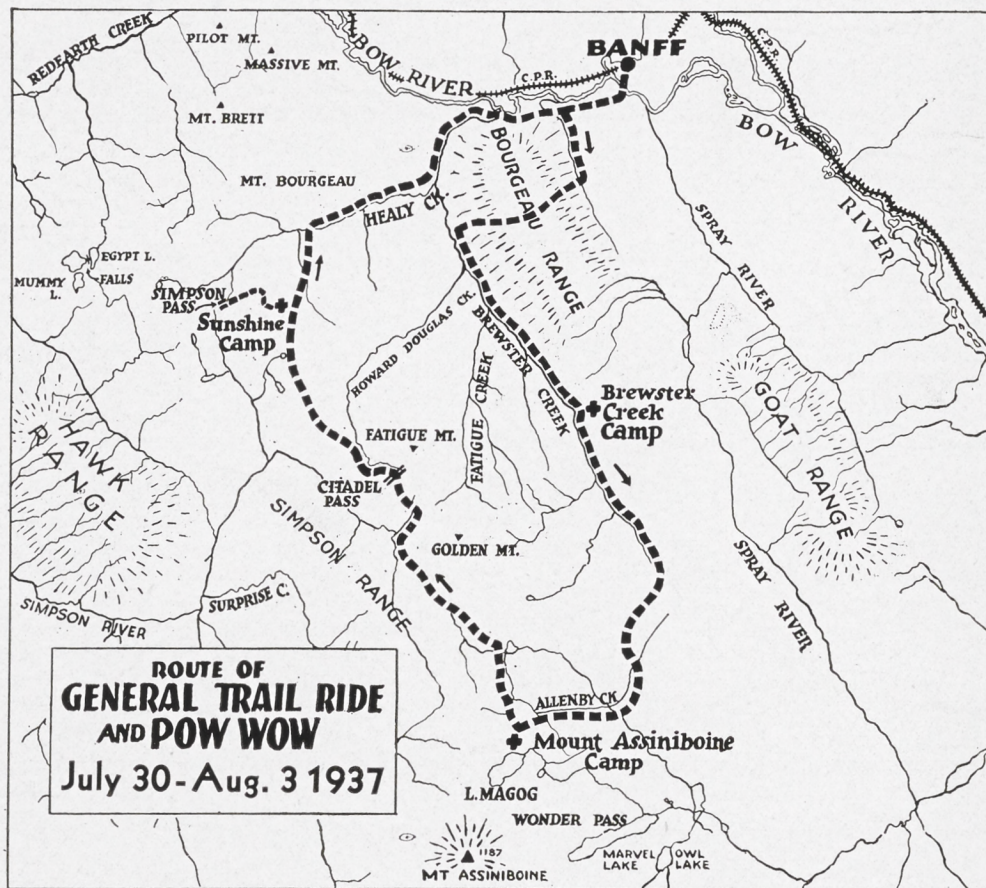

For Life Membership Certificate, see pages 14 and 15.

A full day and two nights will be spent in camp near Lake Magog at the foot of Mount Assiniboine. We shall ride in by way of Brewster Creek, where the trail has been shortened and improved, and come out through the Valley of the Rocks and over Simpson Pass, and down Healy Creek.

The lakes adjoining Mount Assiniboine have each a character and colour of their own, Marvel Lake, with its dark blue water; Owl Lake, near by; Lake Gloria, which has been described as of royal green; Lake Terrapin, of turquoise blue; Lake Magog itself is turquoise blue; Cerulean Lake is sky blue; Sunburst Lake is described as beryl coloured; Assiniboine Lake as robin's egg blue, and Lunette Lake sheer black.

The peak named Mount Assiniboine is the central massif of what is really a group of mountains. Mount Assiniboine itself is 11,870 feet high; Mount Eon is 10,640 feet; Mount Magog 10,050 feet; Mount Terrapin 9,500 feet; Mount Gloria 9,500 feet and Lunette Peak 11,150 feet. There are eleven

Alpine lakes in the immediate vicinity, of which the largest are Lake Magog, Marvel Lake, Owl Lake, Lake Gloria, Lake Terrapin, Cerulean Lake, Sunburst Lake, Assiniboine Lake and Lunette Lake—each with its dominant colour, usually either blue or green, although Lunette is frequently almost dead black. Illustrating these lakes are reproduced in this bulletin photographs by Erling Strom, who operates a popular Bungalow Camp here both in Summer and in Winter (for skiing). The approach by way of Brewster Pass and Allenby Creek over Assiniboine Pass is highly spectacular, and the meadow land out of which the group of mountains apparently springs is so spacious that it offers delightful ground for cantering. The Alpine flora of this region is particularly rich, many varieties growing in profusion which elsewhere are scarce. The vista of mountains is of spectacular grandeur, whichever way you look, East, West, North or South. The fishing in Marvel Lake has of recent years been excellent—so don't forget your rod or your camera.

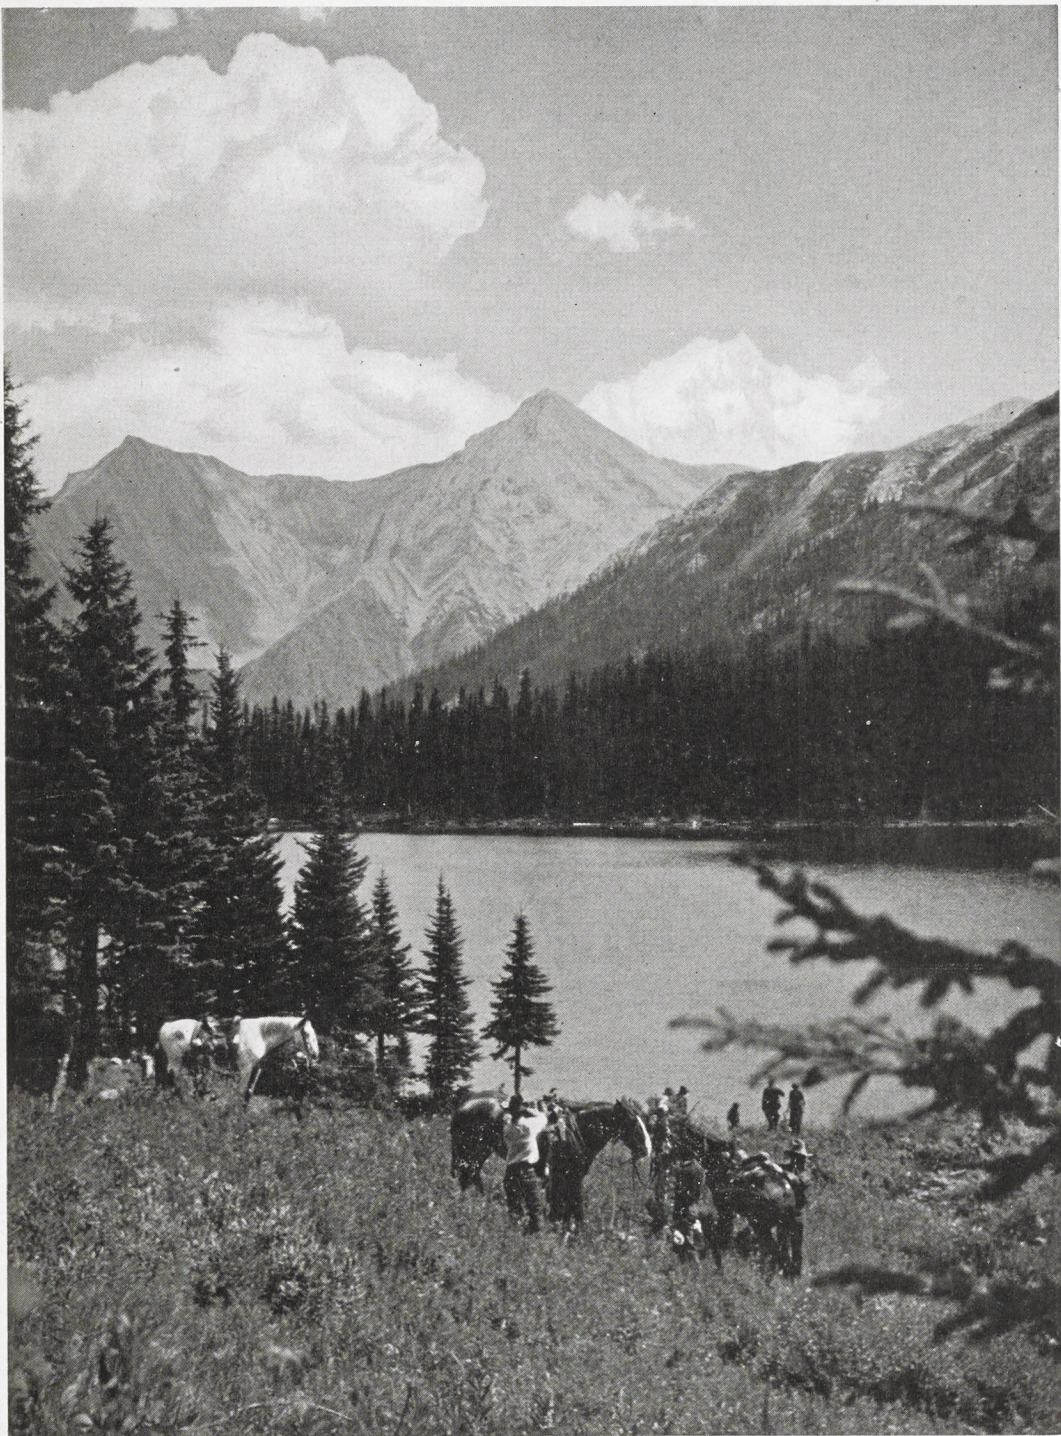

Photo by Nellie Wetmore, Lockport, N.Y.

MYSTIC LAKE

Awarded first place in the Reginald Townsend Cup Competition for photographs taken on the Trail Ride of 1936.

REGINALD TOWNSEND CUP

Following the new rules for the Reginald Townsend Cup Competition, the photographs were submitted under a *nom de plume* and were judged by a board of three, none of whom are members of the Trail Riders of the Canadian Rockies. The three judges were Gordon Gillespie, Art Director for the C.P.R., H. Bassett, of the Associated Screen News and A. Lafrenière, Official Photographer for the C.P.R. First place was given to a photograph of Mystic Lake which proved to have been taken by Nellie Wetmore, of Lockport, N.Y., and another of the Camp on Forty Mile Creek taken by Hope Mathewson, New York, ran it so close in the estimation of the judges that it was awarded Hon. Mention. Both photographs are reproduced in this bulletin. The name of the winner will be engraved on the Cup, and a replica forwarded to her.

ERLING STROM

Erling Strom, some of whose photographs of the Mount Assiniboine region are reproduced in this bulletin, is chief ski instructor at the famous Lake Placid Club and is considered the foremost exponent of the Norwegian style of skiing in North America. A writer in the Winnipeg Tribune describes him as having a delightful sense of humour and an endless fund of stories, some of which we hope to hear when we camp near Mount Assiniboine this Summer. This writer goes on to say:

"Son of a civil engineer, Strom spent his boyhood in the mountains of Norway where his father was supervising the construction

of a great railway tunnel. When the tunnel was finished and the Strom family returned to Oslo, Erling's skill on skis in competitive events earned for him the title of "the boy wonder."

"He came to the United States ten years ago and became chief ski instructor at Lake Placid, a position which he still holds. Eight years ago he took part in a pioneer ski trip in the Canadian Rockies, when, with an Italian nobleman, he made the first ski trip

to Mount Assiniboine, 40 miles south of Banff. Skiing had been known in Banff for a number of years prior to this, but had been confined to jumping and casual trips in the neighborhood. None of the town people had attempted long trips into the heart of the mountains and old timers tried to persuade Strom and his companion that the idea was a foolhardy one. They were unaware of the fact that Strom's companion, the Marquis d'Albizzi, had spent much time during the war at the head of ski troops in the Italian Alps, and that a trip to Mount Assiniboine was merely another ski jaunt to him.

Photo by Hope Mathewson, N.Y.

Camp on Forty Mile Creek — Trail Ride of 1936
Awarded Hon. Mention in the Reginald Townsend Cup
Competition

"A later exploit of Strom's was the first ski ascent of the highest mountain in North America. This is Mount McKinley, 20,300 feet, in Alaska.

"During the past few years Strom has spent every Spring in the Canadian Rockies where he has a ski camp under the shadow of Mount Assiniboine, the Matterhorn of the Canadian Rockies. It is a fine two-day trip from Banff to his camp and once there, endless ski runs await the skier."

A Trail Ride in Rhyme

Illustrated by the President

Written by the Secretary

Pack up your duffel

Drive to the horses

You wave farewell

With new delight

Pack up your duffel for the Trail,
We'll soon be riding hill and dale,
As happy as the day is long,
And ending happy days in song.
The kit is simple — toilet case,
Bed-roll and blankets must have place;
Spare underclothes are good to find,
But leave your fol-de-rols behind.
Perhaps you wonder what to wear.
The clothes are best if hard to tear —
A flannel or a buckskin short,
With pockets handy to insert
Lighter or compact, crismint,
Perhaps a flask with something in't —
Windbreak and slicker, blanketcoat,
For nights are chilly (don't I know't?)
Or else a mackinaw — for neck
A large silk handkerchief to check
Mosquitoes or the big horseflies —
Dark glasses to protect your eyes.
Some fancy overalls and chappis
All woolly or with wing that flaps,
But riding breeches suit this bard
With leather leggings, not too hard,
And hob-nailed boots in case we walk
To save a horse on slippery rock.
A widebrimmed hat suits me, for one,
To shed the rain and shade the sun;
And gloves are worn not just for show
But save the hands from chafing so.

Now we're at Banff, and get a tag
To fasten to the saddlebag,
And send it where the packers wait
So that our start may not be late;
Then say hello on every side
To those who will tomorrow ride.

No time for slug-a-bed or yawn;
An early breakfast greets the dawn,
And off the Riders, one and all,
Drive to the horses in corral.
A pony for your weight they fetch
And saddles fit to suit your stretch.
You wave farewell from trail you find
To poor old Jim who stays behind.
So goes the gallant cavalcade
With guides galore to render aid;
Then about noon beside a tree
Dismount for sandwiches and tea.
Then ride again with new delight
To where the first camp comes in sight.

Get a tag

A pony for your weight

Sandwiches and tea

The first camp

Come and get it!

A wash to take the dust away —
And overalls are here okay,
For nothing weariness supplants
As changing into looser pants.
Then 'Come and get it' 'calls the cook,
And on a feast the Riders look
With appetite that no one knows
Unless on Trail Ride too he goes.
No time to talk, they tuck it in
Until the very mountains grin.
From soup to nuts they stuff and stuff, —
You'd never think they had enough —
Till, no room left in their insides,
They yield the tables to the guides.

The Campfire

Now to the teepees leads the track
With bedrolls ready to unpack.
Some gossip and a cigarette
Passes the time that none regret,
Until as twilight starts to fall
The campfire gives its friendly call.

Then as the songsheets pass around
Breath for the choruses is found
In which they all join **con amore**;
And then the Colonel tells a story,
And then another — then a guide,
A yodling cowboy on the Ride,
Plucks his guitar and sings a ditty
More sweet than any from the city.
A cup of cocoa ends the fun
When dark proclaims that day is done.
Yet ere in fact to bed we go,
You see the lights in teepees, glow
Where we are visiting — it's said
The teepee is where friends are made.

Guides with ponies

Morning has come — we hear the hustling
Of guides with ponies they've been rustling.
We smell the coffee on the pot;
Off to the creek with towel we trot —
For those who shave a bowl of water —
And then comes breakfast as it oughter.
The tents come down; we hurry back
To trim our duffle for the pack,
Get out our cameras to take
The moose we hear that haunts the lake.
Carl is for butterflies and rocks
With which, they say, he fills his socks.
Others are nuts on Alpine flowers
That deck the vales these summer hours.
Others again in mountain air
Find full contentment and to spare,
No more desiring than to ride
Along the trail with cowboy guide.
And finding sport that always thrills
In fording creeks among the hills.

Butterflies and rocks

Ready to unpack

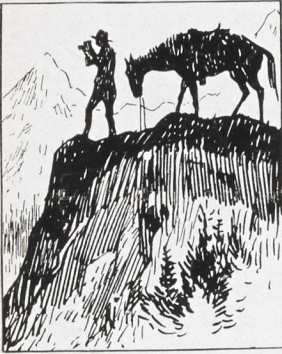

Lights in teepees glow

The moose we hear

Fording creeks

His gun a camera

Hauls a tree

The Cowboy's Song

Take your rod

High on a rock we see a figure
Pointing with finger on the trigger,
His gun a camera, his game
Some hawk at which he takes his aim.
It must be Dan, our Nature Guide,
Known for his lectures far and wide.

And now upon a trail we twine
Along the edge of timberline
Until we mount the pass and see
A giant mountain vis-a-vis,
Assiniboine with cap of snow
White as a million years ago
And at its feet a lake of jade
As out of melted jewels made,
And cloak of ermine on its shoulders
With buttons made of mighty boulders.
Now as enchanted on we ride
Towards our Camp we pass a guide
Who hauls a tree cut for tonight
To make our campfire burn up bright.
Here is a place where we shall stay
Two nights as well as all one day;
For old Trail Riders think it best
To give the halfway day to rest.

Now we'll have time in camp to hear
More of the songs we hold so dear,
The Cowboy's song about his pony
"Strawberry Roan," and "Alimony,"
And Claude will surely have a chance
To do his Prairie Chicken Dance.
Here for a day we have the time
To find which lake is most sublime.
'Magog', the mirror at its base,
Reflects the mountain's rugged face.
Either in jade or turquoise hue,
'Marvel' has water darkish blue;
Turquoise again is 'Terrapin',
'Gloria' gleams in royal green.
'Sunburst' is beryl, black 'Lunette'
Sombre as pool of liquid jet,
Robin's-egg blue the lake that shares
The name 'Assiniboine' it bears.
'Cerulean Lake' is like the skies
It holds reflected where it lies.
'Marvel' they say is full of trout
So big you scarce can pull them out.
But take your rod that you may play
The giant fish that get away.
With Fletcher Brady as your witness
And Doctor Gow to prove your fitness.
You see them ambling on the trail
Exchanging jokes that never stale
There never yet was Doctor found
Whose judgment was more sane or sound.

A giant mountain

Prairie Chicken Dance

Ambling on the trail

Pass of Cut throat

Ah! here's a sight for eyes to ache on
That pan of cutthroat and of bacon !
Whoever may have caught the fish,
The cock prepares a lordly dish,
And since we are a hungry crowd
Two portions are for each allowed.

We organize the Campfire now
As if rehearsing the Pow Wow.
Of talent there's no more a dearth —
Singers, reciters spring from earth !
Dan with historic fire inflamed
Tells how the mountain peaks were named.
The Colonel tells of Stoney Chief
Who in Manhattan came to grief,
And spent a night in dungeon dark
For blazing trees in Central Park.
Ivan Petruska tops the fun
And shows how solo wrestling's done.

The ever thoughtful

Morning another day unveils
And we must turn to homebound trails,
Threading the Valley of the Rocks.
Yet first the ever thoughtful Vaux
Checks off the things to keep in mind
Before we leave the Camp behind —
Everything tidy, fresh and clean —
No scattered junk to mar the scene.
Others there are whose hearts are grieving
For all the beauty they are leaving,
The hanging glacier, rocky crest
That harbours yonder eagle's nest,
The silver pyramid reflected
Within the lake thus intersected,
The Alpine paradise of bloom
That fills the air with faint perfume.

Our cavalcade

Yet vistas rise when others fade —
On Simpson Pass our cavalcade
Views such another sweep of hills
That every heart with wonder thrills,
Then Sunshine Valley, Healey Creek
Bring Journey's End not far to seek.
The Sundance Lodge comes into view —
We bid our ponies sad adieu.

The Sundance Lodge

The spacious tent is where we now
Foregather for the great Pow Wow.
New Officers we chose, and hear
Where we shall ride another year.
Then, ere we part, once more we sing
The songs that made the old camps ring.
Again we hear the stories told
That all such gentle fun enfold.

Then, when the Moon climbs up the sky,
Back into Banff go you and I,
Where in our dreams again we'll join
The Ride to Mount Assiniboine.

R. H. PALENSKE, Pixit
J. M. GIBBON, Scripsit.

DOMINION SKI MEET AT BANFF

In the preceding bulletin, A. N. Carscallen outlined the prospects for the Dominion Ski Championships Meet at Banff, March 5-8. This proved to be the most successful event of its kind ever held in North America, drawing many thousand spectators and over 100 competitors representing 40 ski clubs, including Olympic Champions and star skiers from Norway, Switzerland and the United States, as well as Canada. The Swiss Universities Ski Team, six in number, came at the suggestion of the Dartmouth Outing Club, who themselves sent Walter Prager, Howard Chivers and Dave Bradley. Olympic Champions from

British and Swiss Flags, at the Clubhouse, Mount
Norquay, Banff

DOMINION SKI MEET AT BANFF

outside Canada included Al Lindley of Minneapolis, Don Fraser of Seattle, Karl Fahrner of Buffalo, N.Y., Sverre Kolternd of Norway, Alf Engen of Salt Lake City and Grace Carter of Seattle. Banff was gaily decorated with flags of the competing Nations, and the Stoney Indians in their traditional finery added colour to the scene. Banff has enjoyed the busiest winter season in its history, and the ski lodges at Sunshine Valley, Skoki and Mount Assiniboine have entertained large numbers of ski enthusiasts who find in the dry powder snow of the Canadian Rockies an ideal terrain for this most thrilling of outdoor sports.

LIFE MEMBERSHIP

On the opposite page is reproduced the new Life Membership Certificate which was authorized at the last Annual Meeting of the Trail Riders. Our President, R. H. Palenske, has very generously donated twenty-five prints of his original etching to be pasted on the certificates of the first twenty-five who take advantage of this offer. As these etchings fetch good prices in the market, the certificates are in themselves an excellent investment, and the plan has the advantage of saving members the inconvenience of sending small cheques each year. The moneys received will be put into the reserve fund of the Trail Riders of the Canadian Rockies, which is invested in Canadian Government securities. If you are uncertain as to the amount still due to qualify for such a certificate, write to the Secretary-Treasurer, J. M. Gibbon, Room 324 Windsor Station, Montreal, Canada.

TRAIL RIDING IN A MOVIE

Some spectacular trail riding may be seen in "Silent Barriers," the Gaumont-British picture now running in the theatres. This picture has as background the construction of the Canadian Pacific Railway, and in order to provide a thrilling incident twelve cowboy riders were brought up from the Calgary Stampede last summer to Revelstoke, to enact the chase after a passenger train which was heading for a muskeg. The photograph reproduced on our front page shows them riding along the tracks, but as the picture proceeds they find they have to make a short cut to catch the train and we see them galloping through the bush, jumping dead-falls, and careering down steep hills at a speed which curls the hair of the onlookers.

Walter Nixon, the well known guide of Invermere, pours scorn on fiction writers who make their hero gallop through the virgin forest to rescue some distressed maiden.

"They must ride on grasshoppers, not horses," he says. But after he has seen "Silent Barriers," Walter may modify his criticisms. By the way, Walter himself takes part in the Canoe Scene in this picture, where we see Major Rogers and his party shooting the rapids. This canoe scene was taken near Leancoil and introduces some Stoney Indians from Banff. Most of the mountain scenery used as background for "Silent Barriers" shows the peaks round Moraine Lake and Lake Louise. The photography is marvelous and will make the picture stand out in the memory of all who see it. The photographers were guided to their scenery

by Rudolf Aemmer, Swiss Guide at Lake Louise, who has a fund of anecdotes about his experiences. The forest fire is also thrilling—some of it was made at an actual forest fire, supplemented, we understand, by some scenes staged near the Tower of Babel.

In "Canada's Cavalcade", by Robert H. (Bob) Davis, of the New York Sun, we meet several of our Trail Riders in print. Jim Brewster, for instance, tells the tale of how he was once treed by a grizzly. This is how the tale begins:

"Is it true," I asked, "that one hundred and fifty-six grizzly bears have fallen to your firearms?"

"Who ever told you that," said Jim, with a substantial blush under his well-tanned cheek, "has raised the ante. The figure is one hundred and forty-six. And there are a whole lot that I missed, and a good many that I hit and didn't stop. Some do get away."

The story of the discovery of Lake Louise is told by the late Tom Wilson, whom Bob Davis met shortly before his death. There is a chapter about Dan McCowan who is introduced as follows:

"His name is Dan McCowan. Twenty-six years ago he turned up in the Canadian Rockies and began to putter around among the wild animals, with whom he established such friendly relations that when the last trumpet blows and all the noses are counted Dan McCowan will be found coming down a canyon in the company of grizzly bears, elks, mountain sheep, whistling marmots, moose and wildcats. And he will be leading the procession.

"I was once in your town with Mrs. McCowan," said he when first we met, "and much to my astonishment saw at the corner of Forty-second Street and Broadway a chocolate-winged, white-fringed Mourning Cloak butterfly fluttering above the congestion."

"What business," I asked, "would a butterfly have in Manhattan?"

"If I remember rightly," replied the naturalist, "there is a molasses-covered popcorn product sold near the corner on the uptown side. The Mourning Cloak, blown over New York by New Jersey zephyrs, had got the scent of hot sugar, come down to get lunch, and got the gate instead."

Canada's Cavalcade is published in the United States by the D. Appleton-Century Company, and in Canada by The Ryerson Press, at the price of \$3.00.

Trail Riders of the Canadian Rockies

Certificate of Life Membership

Whereas _____ has qualified for Life Membership under Section 6 of Article 6 of the By-Laws which reads

Members holding qualification of 500 miles and upwards may compound their paid and future dues by payment of \$25.00 which shall absolve them from further payment of annual dues, and include a Life Membership Certificate upon the additional payment of \$1.00 but shall not exempt them from special dues or assessments, should such be considered necessary.

This Certificate is granted to the above mentioned member who has fulfilled all the necessary conditions
